CONTROL AND SOCKET CARD

The harvest control map is printed on the back of each permit. Must be completed by the fisherman after each retained catch before resuming fishing action.

The online fishing card must be accompanied by the catch control card also available on site. Without this card the fisherman must practice total NO-KILL: (prohibition on keeping fish)

1-by the date from the first fish kept

2-by the first letter of the fish: ex **T** for trout , **B** for pike for **P** perch before starting to fish again

3-If the fisherman is no longer carrying his fish, he must surround the boxes of the fish concerned ex

T

Any fisherman who has reached the number of authorized daily catches must stop fishing and put away his equipment so that he is no longer in a fishing attitude.

The committee asks fishermen to only take fish for their personal consumption and reminds that it is prohibited to sell it.

THE SURVEILLANCE

Surveillance is ensured by the Society guard and the members of the committee upon presentation of their control card.

Any fisherman checked in fishing attitude on the LA SALMIOTE company route must SPONTANEOUSLY present his fishing license and his identity card, thus allowing the inspector to check whether or not the fisherman respects the regulations, namely being in possession of his fishing license which is STRICTLY PERSONAL.

If not, the fisherman must:

Either stop fishing and leave the fishing route and pay compensation of 2 x the price of the week's license and the seizure of all premiums

Either pay the amount of the fishing card plus 2Euros to continue fishing

The fisherman must authorize the monitoring of his catch. If these are in a vehicle, he must authorize the inspection of it as well as all baskets, hampers, bags and pockets etc.

Fair play is essential in all situations (respect places and distances between fishermen)

ANY PERSON IN THE ATTITUDE OF FISHING MUST BE IN POSSESS OF A FISHING LICENSE AND A LICENSE FOR THE WALLON REGION THESE DOCUMENTS ARE PERSONAL

Pay attention to the number of captures authorized by the Walloon Region
