CONTROL AND OUTLET CARD

The catch control card is printed on the back of each permit. It must be completed by the angler after each retained catch before resuming fishing.

1-by the date from the first preserved fish

2- By the first letter of the fish name: e.g., T for trout, P for perch, before resuming fishing

3- If the fisherman no longer has his fish, he must circle the boxes with the fish in question, e.g., T

Any angler who has reached the daily catch limit must stop fishing and put away their equipment so as not to be in a fishing position.

SURVEILLANCE

Surveillance is provided by the Society's guard and committee members upon presentation of their control card.

Any fisherman caught fishing on the 'LA SALMIOTE' company's stretch must SPONTANEOUSLY present his fishing license and his identity card, thus allowing the controller to check whether or not the fisherman is complying with the regulations : namely, being in possession of his fishing license which is STRICTLY PERSONAL.

The fisherman must allow the inspection of his catch. If the catch is in a vehicle, he must allow the inspection of the vehicle as well as all baskets, keepnets, bags and pockets etc.

Fair play is essential in all situations (respecting places and distances between fishermen).

PLANNED SANCTIONS: *This list is not exhaustive.*

*IMPORTANT: The penalty for violating these regulations is the immediate withdrawal of the fishing license for a minimum of one week. **EXAMPLE of penalty - Unregistered fish = one-week suspension.** In case of repeated offenses, the fishing license will be permanently revoked and the individual will be banned.*

**Being engaged in unauthorized fishing activity “night fishing” for the first time: Warning with 1 week withdrawal of fishing license.*

**Engaging in unauthorized fishing activities, such as night fishing, for the second time: Exclusion from the society*

Refusal to submit to outlet inspection : Exclusion from the company

**Lamination of the fishing license: warning with a 2-week suspension of the fishing license. Repeat offenses result in exclusion.*

**Having cut off the head in one or more takes: Exclusion from the company*

**Exceeding the number of authorized outlets : Exclusion from the company*

**Unauthorized capture of dead or kept alive: Exclusion from the company*

**Construction smaller or larger than the authorized and retained size: Exclusion from the company*

**Unauthorized first-time activation: Warning with a 1-week card withdrawal period*

**Unauthorized priming a second time: Exclusion from the company*

**Fishing during the closed season for restocking for the first time: Warning and 1-week suspension of fishing permit*

**Fishing during the closed season for restocking a second time: Exclusion from the association*

Any lack of respect or decorum towards the company or any of its representatives will result in exclusion from the company.

**Any fishing violation with a day or week permit: Automatic confiscation of the permit*

Any breach of these regulations may result, after decision by the management committee, in sanctions ranging from a warning to temporary to permanent exclusion from the company, without reimbursement of the membership fee.

The management committee reserves all rights regarding sanctions

RESPECT THE PREMISES AND USE THE BINS & PARKING SPACES!!

Fishermen may not park their vehicles on the lawns in front of houses or holiday apartments (including Houyoux). They must use the main parking areas: at the lake dam, near Lac des Doyards, or in front of the sports hall.
